

Apartment for Sale to Millesimo

130 square meters | Bathrooms: 1 | Bedrooms: 2 | Rooms: 6

Downtown, second floor apartment, on two levels. The first level consists of large day area with double facing the square and 2 children's bedrooms. The second level consists of kitchen and dining room with sloping ceilings with exposed beams and a nice terrace overlooking the rooftops of the historic centre, bath. Other attic (currently used as such) which, after due restructuring, could be turned into housing. All in habitable conditions albeit with questionable internal distribution. Certainly with appropriate adjustments could become a property of absolute quality.

Roof redone recently, double glazed doors/pvc warning: If you are interested contact common for bond fine art.
