

Country House (rustic) for Sale to Cortemilia

600 square meters | Rooms: 25

Cortemilia, Langhe del Piedmont, large typical farmhouse in a dominant position and in a pleasant setting, close to the UNESCO lands, all in the context of a small hamlet.

Access from the municipal road onto the courtyard.

The independent buildings are totally authentic and in original Langa stone.

Dividing the property into 3 parts we find:

-- 1st building on the field side (opposite the access road) 4 rooms with panoramic terrace, wooden planks, external wood-burning oven, 3 cellars below, 1 of which with a stone vault, below and detached from the local storage building and dryer

-- 2nd building on the courtyard level with 3 rooms and terrace, plank slabs. Another building on the valley side with 2 large rooms, under the granary and stables and chicken coop basement.

--3rd building in the basement with 3 rooms arranged in a semicircle that create a beautiful internal courtyard, also in the basement 2 rooms for warehouse and storage as well as stable and cellar, former barn. On the upper floor 2 rooms and on the courtyard level 3 other rooms.

Water and electricity very close, telephone to be checked, all other systems to be done (gas, septic tank or sewer connection)..

With a major renovation it can become something unique, details such as the staircase, the windowsills, the architraves of the stone doors and windows are truly unique.

All with cadastral category F/2.
