

House for Sale to Dego

120 square meters | Bathrooms: 1 | Bedrooms: 3 | Rooms: 8

Ligurian Langhe, Dego 25 minutes from the Savona coast, immersed in the green hills of the hinterland in an environment of absolute naturalistic value, traditional farmhouse with annexed former barn and warehouse. The structure is in traditional local stone, the residential building is divided into two blocks connected with the cellar area in the basement with large spaces that could become a rumpus room, the housing part on the mezzanine floor with entrance to the kitchen, bedroom, bathroom, another room used as a utility room but could be bedroom, bathroom. Access staircase to the upper floor, which can also be reached from an independent external entrance where we find 2 other rooms, one used as a bedroom and the other as a hallway. From the hallway you can access the attic of the underlying part which is very large and high enough to obtain an attic.

The second building is in exposed stone and was used as a barn, shelter for tools and animals. It is spread over two floors with a subdivision on the ground floor into two shelter rooms, one with a wood oven. The unique barn top.

The house is set in a context of two buildings and therefore has a neighbor who uses his property as a second home and together they share the access courtyard.

The structure of the buildings is excellent for the residential one and discreet for the stone porch, the finishes of the house are from the 70s, with tiled floors, single-glazed wooden windows.

The water is municipal, electricity, septic tank for wastewater.

The land merged around is 58,400 square meters but if you want you can have more. The access road is asphalted municipal for one part and for another stretch of about 300 meters very nice and flat dirt road.

Ideal for living in the open as a second home but also as a first home for those who prefer tranquility. The town and services are about 3 km away, the mnare 25 minutes, the ski slopes 90 minutes, the areas of the great Piedmontese wines from Alba and Asti in 60 minutes.
