Also on the ground floor is a huge room used as a garage, storage room, cellar and tool shed, partly with a slab height of 270 cm and partly at full height up to the roof.

On the first floor three bedrooms, a bathroom, corridor, hallway and small terrace.

The structural part is good, the interior is 1980's with ceramic tiled floors, single glazed wooden window frames.

At the back of the house there is a service building with a wood oven and a tool shed.

The heating system is with oil-fired radiators.

Electricity, telephone, municipal water and two wells.

On the whole the house is very solid but needs to be updated internally, the property in its entirety is absolutely delightful with large, beautiful outdoor spaces. Very suitable for horses or similar.
