

Country House (rustic) for Sale to Plodio Zone: Plodio Alto

550 square meters | Bathrooms: 6 | Rooms: 20

Inland on the Ligurian Sea coast, less than 30 minutes from the beaches of Savona, in a secluded position but not far from services, surrounded by over 70,000 m² of land (it is possible to purchase even more separately) with a panoramic view, we offer this interesting former rustic farmhouse, suitable to become both prestigious private property and an excellent solution for tourist accommodation. Access to the property is via a well-trodden dirt road, easily passable.

The property has details that deserve conservative renovation. It is spread over 3 levels.

Ideally, but transformable according to your needs:

- on the ground floor we have 6 rooms, 2 bathrooms.
- on the first floor 6 rooms, 4 bathrooms.
- on the second floor 6 rooms and 4 bathrooms.

Water and electricity once present need to be checked, Septic tank/imhoff to be installed. Spring water well

Potentially ideal both for a prestigious residence a few minutes from the sea but in the tranquility and greenery of the hills, but also suitable for hospitality activities such as B&B and with the conditions and requirements to become a farmhouse. Excellent opportunity.
