

Farmhouse / Estate for Sale to Roccaverano Zone: San Gerolamo

1.000 square meters | Bathrooms: 2 | Bedrooms: 3 | Rooms: 18

Roccaverano. Superb farmhouse for sale in the Asti Langhe in Roccaverano. The property consists of a huge block of about 1000 square meters divided into a residential part and a former room used for agricultural activity and about 95,000 square meters of land almost entirely in a single body with the buildings. The property with a panoramic and enchanting view lies on the side of a gentle hill currently still cultivated with cereals and grass. The land is almost flat and suitable for any use including the breeding of cattle, horses and sheep. The location is truly extraordinary with optimal exposure, buildings and land are well preserved and in a good state of maintenance. The main building is a huge L-shaped two-storey structure typical of the place with a courtyard in front, in this building there are two residential units and a whole series of rooms that were used for agricultural activity, former stables, barns, warehouses, deposits etc. The building is in original Langa stone typical of the place externally partly plastered. There is a second building which in turn overlooks the courtyard, completely independent on two floors with rooms for various uses.

The residential part is spread over two floors and includes two kitchens, two halls, 3 bedrooms, two bathrooms and other rooms that could be transformed into bedrooms and more. The finishes are partly from the 70s and others from the 8090s, the windows in simple glass wood, the floors in grit tiles, old decorated cement tiles and ceramics. Electricity, municipal aqueduct, wood heating with stoves, septic tank for wastewater. Property now rare in terms of type and consistency, reachable by paved municipal road, suitable both as a farm and as a prestigious residence in the Langhe bordering the areas of the great wines of Monferrato and Albese. It would be very suitable for transformation into an agritourism, an activity for which it has the requisites, or another welcoming activity of absolute prestige. Nizza Monferrato can be reached in 25 minutes, the spa town of Acqui Terme in less than thirty and the city of Asti in 50.
