

Country House (rustic) for Sale to Pareto

400 square meters | Bathrooms: 2 | Bedrooms: 5 | Rooms: 12

In Pareto, the first hinterland behind the Ligurian coast and Savona, in the middle of the "Calanchi", just 25 km from the sea, in an enviable position for exposure, accessibility, privacy and authenticity of the building, we offer this rustic solution consisting of 2 units, surrounded by approximately 15,000 m2 of land.

The building is all in stone, absolutely authentic, not polluted by invasive renovations.

The first part, arriving from the road, unpaved in the last 200 m, is about 70 square meters of living space as well as a beautiful cellar and storage rooms. The second part consists of a house with kitchen and living room on the ground floor and 3 rooms and former barn rooms on the 1st floor.

The roofs are in various conditions: the first part is in wood and needs fixing, the second part is also a wooden roof, but it was redone about 30 years ago and it still is in good condition.

The interiors of the 2 units are to be completely restored in all their parts: from the plaster to the utilities, from the windows to the flooring.

There are 3 wells on the property, 2 of which are springs while one collects rainwater.

There is also municipal water and electricity. Septic tank / cesspool.
