

Villa / House for Sale to Spigno Monferrato

85 square meters | Bathrooms: 2 | Bedrooms: 2 | Rooms: 5

Valle del Bormida di Spigno, in the green hills behind the Ligurian Sea, in an absolutely uncontaminated area from a naturalistic point of view, we offer an independent villa on one level, completely renovated in a quiet area with great privacy, very convenient to the road and a few minutes from center of Spigno and Pareto. The property, which includes the building and land all in one body around the house for 15,000 square meters, is fenced around the house. The entrance is from a private driveway with automatic gate that leads to the courtyard and the resulting land almost entirely fenced. All well-kept and well maintained, the property was renovated in the 2000s with a facade, insulating crawl space, internal coat and roof.

The house is structured with an entrance to the living area consisting of a kitchen opening onto the living room through a beautiful door that can be opened completely if necessary, still on the floor, a bedroom divided by a wooden wall with glass door and a bathroom with shower.

Still on the floor, but with a separate entrance, another bedroom with its own bathroom with shower.

Recent finishes, double-glazed anodized aluminum windows, mosquito nets on all windows, roller blinds, heating by pellet stove and electric skirting board and heated towel rail in the bathrooms. Stoneware floors.

On the back shed with warehouse and deposit and next to the entrance garage with laundry area.

Beautiful setting, dehor in front of the house with barbecue and space for outdoor dining.

Septic tank, municipal utilities and two spring wells, one private and one shared.

Ideal for those looking for a turnkey holiday home in a truly pleasant setting. The sea can be reached in just over 30 minutes, the surrounding woods are rich in mushrooms and truffles, a paradise of nature fortunately still entirely untouched.

Total land 15,000 m2 in one plot with the house.
