

House for Sale to Giusvalla

300 square meters | Bathrooms: 2 | Bedrooms: 8 | Rooms: 15

Giusvalla, valley of the Valla river, the first hills of the hinterland of the Savona coast, in an area of lush greenery, surrounded by large meadows and endless woods in an absolutely virgin area from a naturalistic point of view, we offer this beautiful property which consists of 3 distinct structures, one of which is an old mill with part of the mechanisms still present. The area can be reached via an asphalted municipal road and borders the Valla stream.

-- The first building we encounter, the largest, is the residential one which is spread over 3 levels and is made of plastered stone.

In the basement there are 3 cellars and warehouses with a storage room outside the main structure.

On the mezzanine floor, with access from an external staircase, we have 6 rooms, partly residential and partly for storage as well as a bathroom.

Then from an internal staircase access to the top floor consisting of 5 living rooms, closet and bathroom.

Overall, the house is immediately habitable, has systems from the 70s, windows partly in wood and partly in double-glazed aluminium, heating with radiators connected to the boiler, floors from the 50s/60s partly in marble and partly in grit.

Roof visible in good condition.

-- The second building, again with structures in local stone, is the Ex Mill with a ground floor which is made up of 2 rooms (with the millstones of the mill) and a shed open on one side, on the first floor there is a warehouse with the upper part of the structure for grinding grain and on the side of the barn. Still on the upper floor is an attic.

-- The third structure, in brick, is approximately 80 m2 on 2 levels with a warehouse and garage on the ground floor and an attic on the upper floor.

Ideal for a conservative renovation that enhances its authentic characteristics, it could become a beautiful accommodation facility surrounded by greenery.

The beaches of the Ligurian coast can be reached in 30 minutes, the ski areas in 90 minutes, Genoa airport in less than 60 minutes, the motorway connection is 20 minutes away.

The property stands on a plot of land measuring approximately 3000 m2 in total.
