

Country House (rustic) for Sale to Cengio Zone: Rocchetta Cengio

450 square meters | Bathrooms: 1 | Bedrooms: 5 | Rooms: 17

In a beautiful secluded setting, not isolated but totally surrounded by greenery, large farmhouse surrounded by 4 hectares of land. The access road leads to the courtyard located between the 2 buildings that make up the property. The first building for residential use is spread over 2 floors; the ground floor is mainly used as a warehouse/storage room/garage. The first floor consists of 5 rooms, bathroom and small terrace.

The second building has a predominantly agricultural vocation and is composed of large rooms used as storage and a porch for agricultural vehicles.

The properties need to be renovated, with the advantage of being able to customize them in the distribution of spaces and finishes. The square footage and current layout would allow the construction of multiple real estate units or an accommodation facility.

The context is absolutely pleasant, with a beautiful view of the valley and the surrounding greenery. The land, partly wooded and partly arable, surrounds the property and can be fenced.

Excellent opportunity for those looking for a structure to invent in their own image and likeness, less than 30 minutes by car from the Ligurian coast.
