

Country House (rustic) for Sale to Spigno Monferrato

200 square meters | Bathrooms: 3 | Bedrooms: 3 | Rooms: 8

Spigno Monferrato, among the gentle hills before Liguria, in a reserved and quiet position, reachable by a short stretch of dirt road, we propose this beautiful stone farmhouse surrounded by its own land.

The building, structurally in good condition, in local stone, is on two levels and consists of 2 units with a central staircase.

On the left side of the staircase we have a living room, a kitchen and then, accessible from the outside, a former stable and 2 storage rooms. On the upper floor we instead find a WC, a bedroom, and 2 large storage rooms that were once the barn for the former stable below.

To the right of the staircase we have on the ground floor a kitchen, living room, WC, double storage room and woodshed, on the upper floor instead we find 2 bedrooms, bathroom and large terrace.

The roof is in good condition.

Water, light, cesspit, and about 25,000 sqm of surrounding land complete the property compendium.
