In this part we find new floors in fake terracotta stoneware, a grit staircase to access the first floor, where we find the sleeping area, consisting of a bathroom with 90s finishes with shower and 2 bedrooms with balcony. Here too, 80s tile floors and single-glazed wooden window frames.

The other wing of the property is composed of the agricultural part with a very beautiful external staircase in bricks.

With separate entrance warehouse/agricultural vehicle shelter, full height with exposed roof.

Roof in place, redone about 20 years ago, heating by wood boiler municipal water supply and also spring well, septic tank that connects to the municipal sewer. Yet another brick building with 3 chicken coops.

Access via a local road, unpaved for the last stretch of about 400 meters, but easily passable.

Of the 68,430 m² of land, a good part is vineyard with labels.
